

Institutions of Higher Education – Library Resources Plan

Submit a library plan describing the library resources are in accordance with 8VAC40-31-160(M).

The institution of higher education shall maintain and ensure that students have access to a library with a collection, staff, services, equipment and facilities that are adequate and appropriate for the purpose and enrollment of the school.

The plan will include, but is not limited to:

- Description of physical and virtual library
- Plan to ensure the library resources shall be current, well distributed among fields in which the institution offers instructions, cataloged, logically organized, and readily located.
- Personnel, qualifications and job description for persons responsible for library recourses.
- The continuous plan for library resource development and support, including objectives and selections of materials.
- Current and formal written agreements with other libraries or with other entities may be used.
 - Institutions offering graduate work shall provide access to library resources that include basic reference and bibliographic works and major journals in each discipline in which the graduate program is offered.
