

Site Listing Form

Site means a location in the Commonwealth where a postsecondary school (i) offers at least one course on an established schedule and (ii) enrolls at least two individuals who are not members of the same household, regardless of the presence or absence of administrative capability at such location.

For schools whose main campus is not in Virginia, provide a complete listing of all sites, along with their addresses, phone numbers (if applicable), and approved programs offered pursuant to 8VAC 40-31-180(B)(9). Make copies of this form if necessary to report information for additional locations.
